There will be a mass meeting of all the residents of the Northern Land district held in the public school house at Atwood, on Thursday, the 25th day of June, 1885, at 1 o'clock P. M., for the purpose of considering the advisability of the removal of the location of the U. S. land office now established at Oberlin, Kansas, to a point further west in said district. All parties in favor of said removal are cordially invited to attend. By order of Committee.
